

A large, stylized house icon is the central focus. The house is filled with a vibrant, multi-colored gradient of yellow, orange, and red, suggesting a warm sun or fire. Inside the house, there is a black silhouette of a family consisting of two adults and two children, all holding hands. The house has a chimney on the left and a window with a cross symbol in the center. The background is dark with a faint, light-colored outline of a house, including a window with a cross. The entire graphic is framed by a decorative border of small, repeating house icons.

**ASSOCIATE PASTOR SEARCH UPDATE**

The job description for this position has been posted and the search committee is beginning to accept resumes. Please continue to pray for the pulpit committee as they review resumes and decide which applicants to continue to further pursue in the search process. Please also pray for the committee members as they are creating a questionnaire that all potential candidates will need to answer as part of the process. Lastly, please also continue to pray as you financially give of your tithes and offerings since we did set our budget and started the pastoral search process in faith – pray that God would use these gifts for the furthering of His Kingdom! Thank you all for your continued prayers, faith, and support!
